7	He doesn't want to feel shame or embarrassed for not having money.						
	So he makes himself go to the bathroom.						
8	イ						

※ 35

3

I disagree. Zoos might not be the best for animals but they are a place where humans learn	
to care about animals. If there were no zoos, then people would only think of animals	
as something that is not connected to them. If that happened, they would not care	
if animals live or die.
